

Yuqing Wei

Quick Learner, challenge taker, team worker.
Strong sense of responsibility and honest
Good at communicating, cooperating and project managing.
Interested in Internet Industry and Cloud Computing.
Good skills of English, mathematics and computer.

Education Background

- M.E. **Communication Science & Engineering**, Fudan University 2013.9-now
- Overall GPA 3.623, ranked 5th out of 55 students. Major GPA 3.82
- Research filed: Optical Sensor, Hollow fiber
- B.M. **Accounting**, Fudan University 2010.9-2014.6
- Finance accounting and management accounting
- B.S. **Communication Science & Engineering**, Fudan University 2009.9-2013.6
- Overall GPA 3.53, ranked 10th out of 60 students. Major GPA 3.67

Internships & Exchanges

- **Microsoft** Research Asia, CCIC CAT, PM intern 2014.8-2015.8
 - Machine Learning Researcher
Write Integrate Documentations of Azure Machine Learning focus on Algorithms and Scenarios; Take part in BesTV Video Recommendation Demo
 - Compete Analysis Researcher:
Write Customer Comments Report; Tester of Aliyun VMs; Take part in Whitepage and PPT composing of AWS, Aliyun and Ucloud;
 - Solution Accelerator PM:
Gather materials for Design Win webpage; Write Consumption BI Report with Excel; Design new UI for Solution Accelerator Portal, Media Service website (PC & Mobile); Design new EA Portal for PMs and Engineers; Build Machine Learning Demo of Amazon Recommendation System
 - EBC Assistant:
Present Demos to Customers; Photographer; Write EBC Monthly Report; Take part in EBC Video and Document Sorting;
- Notre Dame University-Fudan University Summer School. 2013.7-2013.8
- IT sector researcher intern of DongHai Security Co. 2012.9-2013.3
 - Gather TMT Company info; Analysis industry future tendency; Write Industry Report

Social & School Work

- Graduate Student Union President of Information School 2014.3-2015.3
 - Organize school events and academic conferences

- Win 'Outstanding Student Union'

- Undergraduate Student Union Vice President of Information School 2012.3-2013.3
 - Organizer of 'I'm FINished with FINS' shark protection event
- Qinghai **Tibetan** areas voluntary education program 2011.4-2011.9
 - Group Leader. Win the award of Outstanding Charity Program.
 - Culture exchange between Tibetans and Hans.
- Shanghai **EXPO** volunteer. 2010.3-2010.6

Academic Experience

- Graduate summer research program of Fudan University. 2013.6-2013.9
- "Wangdao" Scholar research program 2012.9-2013.6
 - Published paper: Zhou J Q, Wei Y Q, et al. Optimization of Hollow Waveguides as Absorption Cells for Spectroscopic Gas Sensing [J]. Applied spectroscopy, 2013, 67(3): 301-306.
- "Xiyuan" Scholar research program 2011.9-2012.6
 - Transmission and absorption characters of bended hollow waveguides.

Awards & Honors

- 1st Prize of Graduate Scholarship 2014.09
- Outstanding Student Leader of Fudan University 2014.05
- 1st Prize of Fresh Graduate Scholarship 2013.09
- Outstanding Graduate of Youth Fudan 2013.05
- Top 10 Student of School of Information Science & Technology 2012.10
- Outstanding Student Leader of Fudan University 2012.05
- Outstanding Leader of Fudan University 2011.10

Skills & Hobbies

- IT Skills:
 - Familiar with Office: Excel, PowerPoint, Word, etc.; Photoshop CS;
 - C, Python; SQL Database; Matlab, Origin;
- Language:
 - English: GRE 1360 + 3.5; CET 6 597
 - Français: beginner
- Writing:
 - Member and Journalist of Chinese Young Writers' Association
 - 2009, 2010 First Prize of Chinese Juvenile Cup
- Instrument Performance:
 - **Guzheng (Chinese Zither)**: Solo performances in the Suzhou Classic Garden;
 - **French horn**: Bronze prize of in 2008 Spring of Shanghai International Music Festival;
